Sample Abstract for conference Data Science, Statistics & Visualisation (DSSV 2017)

A.B. Charleston[a], D.E. Foxtrot[b] and G.H. Ikariotikos[c]

[a] *Alpha Institute,* [b] *University of Beta,* [c] *Gamma Company*

The abstract should be at most 250 words. The title should be at most 15 words. The abstract should fit into half-page of size A4, no page number. The manuscript should be submitted in the form of a simple Latex syntax (can be used, e.g. $\hat{x}_i$, β, etc). Plain text should be used and without any accents. The LaTex source file ABSTRACT.TEX can be used as a template.

The deadline for Abstracts is April 10, 2017.

By submitting an abstract the authors agree to its publication at the conference programme.

Keywords: Data science, Statistics, Visualization. (Use at most 3 keywords)
